Trail Stoneheads ? Road Asphaltheads ? Track Speedheads

The Finger Lakes Runners Club is an organization for runners of all ages and all degrees of ability and competitiveness: kids and masters runners, trail runners, track and road runners, marathon runners, cross country, and joggers, those who run fast and those not as fast.

The Club holds monthly track meets during the winter months (at Barton Hall on the Cornell University Campus) and outdoor meets during the summer at Cornell and Ithaca High School. These meets are free to Club members.

The Club also sponsors a full race calendar each year for which FLRC members may deduct \$2 from the entry fee.

Another benefit is meeting and training with other runners. Groups of runners meet at various times throughout the week and weekend for road and trail runs, usually departing from various trail heads, Cornell University, Ithaca College, and the Finger Lakes Running Company on State Street near the Commons. These group runs vary in distance and there's always a chance to make the run short or long. Others meet to do track work. The Finger Lakes Runners Club also has ties with the highly competitive High Noon Athletic Club, a group that meets at Teagle Hall at noon, Monday through Friday.

Dues are just \$15 for individuals and \$25 for a family for a full year (from date of application.) A membership application form is on the reverse side and is also available on our website www.fingerlakesrunners.org.
